## Dead-lock clamp system

- dual locking system
- no accidental openings
- drop proof

## Silicone "O-ring" sealing

- high quality siliconic rubber seal
- low maintainance
- 100% sealing

## Heavy duty wheels

- anti-slip wheels
- fully replaceable
- only on the trolley versions

## Rubberised handle

- rubberised for better grip
- increased carry-on comfort
- standard feature on all cases

## Foam insert

- highly customisable pick'n pluck foam insert
- egg crate foam in the lid
- available for the whole range

## Retractable pull handle

- pull handel for easy manoeuvring
- secure locking system
- only on the trolley versions
